

Connect Your Patients to Needed Resources

PROVIDERS

Connect IE is a FREE one-stop interactive website that is ideal for Providers in the Inland Empire. It makes it easy for you to put your patients in touch with community resources 24/7.

How Connect IE works: It links Providers and their patients with hundreds of local resources. Visit www.ConnectIE.org from your computer or mobile device and start searching!

With **Connect IE** you can find:

- Housing services
- Job training
- Food pantries
- Transportation
- Other low-cost or free programs

Benefits of Connect IE: It provides instant access to programs located in every zip code in the Inland Empire. With **Connect IE**, you can refer patients to resources needed on the spot!

Why use Connect IE? It helps you improve the health of your community. When you link people to social services and resources they need, their health could improve. This assists those patients whose health is negatively affected by social instability, economic conditions or other factors.

To sign up for training or receive patient information materials, please send your clinic's name, address and contact information to:

IEHIO (Inland Empire Health Information Organization)
info@iehio.org or (951) 368-1009
