

Connect IE Webinars

A new patient resource has launched to help you help your patients. Connect IE, www.connectie.org, is a FREE one-stop interactive website that links patients with hundreds of local resources. The website provides free or low costs services throughout the IE Community.

Connect IE training webinars occur every Wednesday at 3:30 p.m. and your office can register by emailing info@ieho.org No time to register? Dial in and let us know your name and organization when the webinar begins. Simple!
